TERRIE SMITH - Furry Guest of Honor

Born in the mythical land of Cape Cod, Terrie has traveled all around the world. She has been drawing since she could pick up a crayon (graduating to more sophisticated drawing tools in later years). She attended the University of Tennessee, majoring in art.

Contrary to rumour, Terrie does not just do "blank" art. She does elves, centaurs, wildlife, and yes, occasionally, "furry" art. Her tools vary from an airbrush to a computer tablet. She has done countless illustrations for various fanzines, pencilling & inking for several comic companies, and has done all phases of "full frame" animation on computer for education, TV, and theatrical release. She is currently working on a mini-series, and is planning to publish a series of stories from her popular "Medicine Shield" series. Current comics are "Lark & Key" (from United Publications), and "Havoc, Inc." with Deck & Chester {the ringtail, natch...} (from Radio Comix), as well as some novel illustrations is some Vision Entertainment books ("Whisper Of Wings" & "Rats Of Acomar".)

His puppets are always a hit, and besides scheduled performances, they are often seen with Steve around the con, feel free to come up and say Hi, and pictures are always welcome!

Duckon 7 Furry Track - Furry Artists Den

This year Duckon has an entire Ballroom as the Furry Artists Den. Because of reasonable objections from the dealers room, we have to charge a $5.00 fee to sit in the Artists Den. To sit behind a table, you will have to have an Artists Den Button. Buttons will be $5.00, but these buttons are transferrable and are good for all three days.

Furry Artists with a button are allowed a half-table. The tables are 8 foot by 2 foot. If more space is available, you may use it, but be prepared to surrender it if the room fills up. The tables are first come first served each morning. The room has no security and no dealers' services.

To avoid unfair competition with the dealers room, The Furry Artists Den is for people to sell THEIR OWN WORKS ONLY! Selling of collections of others works or material items not of your own creation (e.g. books, prints, CD-ROM's, video tapes, collectible cards, etc.) is forbidden. Sales of intangibles (e.g. Con memberships, subscriptions, etc.) are permitted. Exceptions may be made for not-for-profit activities. These policies will be enforced. All other material should be sold from the dealers room.

We apologize to those of you who sell others' works and do not have a table in the dealers room, but Duckon does not allow the sale of such material in public con space - so we can't help you for this year. We recommend that you get on the mailing list for the Dealers room in '99.

The Furry Artists Den is open to all convention attendees, including children, so keep adult material out of sight and/or use "post-its" or similar masks as needed.

These policies will be enforced.

The Artists Den reserves the right to be arbitrary. The Artists Den reserves the right to alter any of the above rules on a case-by-case basis. (but don't count on it)
